

JESUS IN THE PASSOVER

A crown of thorns is positioned over the letter 'O' in the word 'PASSOVER'. To the right, a silver chalice with intricate floral patterns sits on a square matzo. The background features a red surface with a white Star of David and a white lace-like pattern.

HIS EARTHLY MINISTRY began

with the words, *"Behold the Lamb*

of God who takes away the sin of

the world". His last meal on earth

was the Passover celebration. Pass-

over, one of the most significant of

all Jewish holidays, was central to

the life of Jesus, the most famous

Jew of all time. Come see and hear

Light of Messiah Ministries unfold

the story of redemption from the

Israelites and the Egyptians to the

coming of the Messiah in **"Jesus**

in the Passover".
