Small Group/Growth Group Interest Survey

February 2007 version

Name: _____

Phone/email: _____

Please tell us a little about yourself so that we can help to find the right small group in which to place you. Simply complete this interest survey, return it to the church office (FAX: 770.396.8778 or email: mbeaudine@dunwoodychurch.org), and someone will contact you to answer any additional questions you may have and help find just the right group for you.

Some groups are called growth groups, some are called small groups but regardless of what they call themselves they all share the following goals:

- to study the Bible and make application
- to have a defined group so that people are known and missed when they are gone
- to care for people in the group and reach out to others
- to pray for one another and grow together spiritually
- to provide accountability, friendship and support
